

STREET KIDS' FUNDS (SKF)

Mid-Year Report January to June 2022

Street Kids Funds Learning Center for the academic year 2022 started on **January 3rd, 2022**. All the 21 children returned to continue their education and one new kid was enrolled. New uniforms, shoes, sweaters,

books, stationery, and school bags was given to all the children.

A ceremony was organized for Ms. Gulnaz a student of 3rd grade, for her overall best performance in her studies, best manners, and attendance at the center during the academic year 2021. She received a medal from the center in-charge in front of her mother who was invited and all the SKF children.

SKF children back in their classroom and busy in their learning

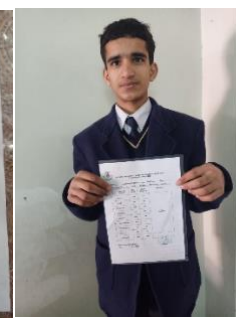

February 18th To make learning fun the teachers at the SKF Learning Center organized a “*Yellow Day*” event. The children decorated the center with yellow color balloons, posters, and cartoons. Children had to list the names of things that have yellow!

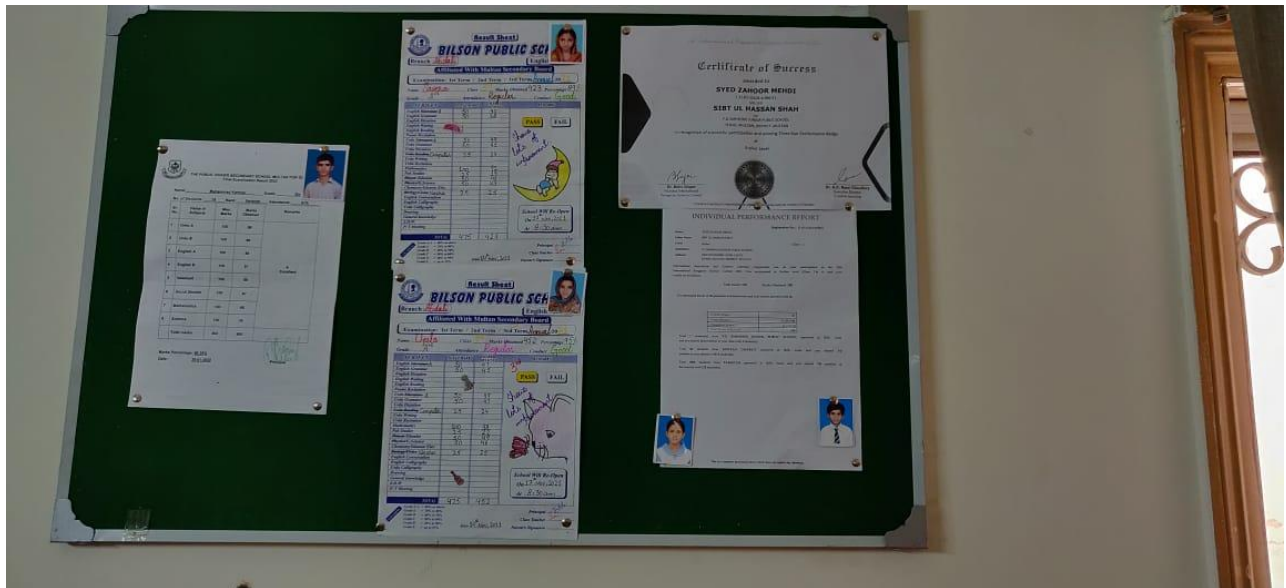

March: SKF Raising Star Scholarship student Master Kamran received “A’ grade in his 6th grade final exams. Kamran had transferred from SKF center to “The Public School” in August 2021. His class teacher was full of praise, “*in such a short time Kamran has adjusted to a regular school program and achieved excellent grades in his class. Teachers at SKF center need to be praised too!*”

Four other SKF Raising Star Scholarship students, also did well in their exams. Their report cards were displayed on the notice board at the entrance of the SKF Learning center, for SKF children to see and be motivated as well.

As part of “*Welcoming of the Spring Season*” on **March 24th** SKF children enjoyed the day planting different flowers in the garden at the SKF center. The children got the day off from their books, to enjoy the beautiful spring weather planting & playing in the sun. Happy and full of smiles!

On **March 30th** with the end of 1st term test and as part of spring a “*Colored Dress Fun Day*” was organized at the SKF center. Children all came dressed in their colored clothes and enjoyed having a day of fun playing different games inside and outside in the garden.

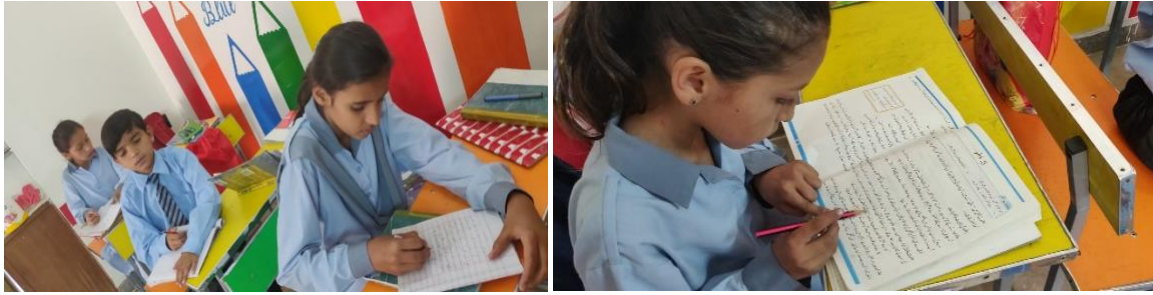

To help the families of SKF children for the month of Ramadan, on **April 6th**, “*Ramadan Food Box*” was distributed to the families of 25 SKF children and 6 SKF staff members.

Each SKF child labelled the list of items on a piece of paper in their own handwriting and glued it to the box for their home! Each box included (flour, rice, sugar, oil, salt, chickpea flour (besan), 4 types of lentils (daal), dates, tea, a bottle of juice).

During the month of Ramadan the children continued their in class learning.

On April 20th before the center was to close for the end of Ramadan and Eid holidays from April 27th to May 9th, SKF center incharge distributed “*Eid Gift Bag*” to the children and all the staff members of SKF Learning Center.

May: Due to the extreme hot weather the provincial educational department announced early summer holidays for all education centers from May 25 to August 1st. Therefore, after the children returned from Eid holidays they started preparing for their monthly revision and test before the center was to close for the early summer vacations.

On the last day before the summer break, on **May 25th** an **"ICE CREAM EVENT"** was arranged at Street Kids Funds Learning Center. The mothers of all the SKF children were invited as the special guests.

The mothers got to select and enjoy having an ice cream of their choice along with all the SKF children and the staff.

The mothers were happy and full of praise for the SKF management and all those donors who are supporting SKF to carry out this work. One of the mothers stated *"may Allah bless this organization and all those who are working in it. Helping our kids to get the best education which we could not afford, and not only this, but they also think of us the families as well!"*

OTHER UPDATES

With the administrative and teaching work load increasing, SKF board members decided to hire an additional teaching instructor for the SKF Educational center.

Ms Alishbah, a college student was hired in early March. She stated that *“my motivation to be a part of SKF charity, is because I want to make a difference in the lives of these under privileged children. If I can help them in their educational learning, so they can get admitted into good schools, this will be my greatest achievement!”* Ms Alishbah is a university student herself, in the afternoon after her classes she comes to the SKF center to teach the SKF children.

On June 1st SKF Raising Star Scholarship student **Ms Hoor Ul Ain** received her year-end examination result for 6th class at FG Public School for Girls . **Securing 1st position** .She received the school trophy from her principal and gift money from her class teacher, as well as her name was displayed on the board in her classroom!

To celebrate her excellent result SKF incharge asked Ms Hoor Ul Ain *“what she would like as a present for her excellent result?”* she responded *“ I would like to eat a burger!”* **Such are the simple wishes these children have!!**

Ms Hoor Ul Ain’s brother, Master Zahoor, also SKF Raising Star Scholarship student, at the FG Public School for Boys, did well and got 9th position in his year-end examination for 5th class.

SKF's mission is to give children less privileged the opportunity to get the best education so they too can excel and **DREAM BIG !!**

Please support SKF's mission and make a difference in the lives of these children that we as a society have the responsibility to help!
