

YEAR-END REPORT JULY TO DECEMBER 2023

JULY

During the summer holidays 6 Street Kids Rising Scholar Foundation (SKRSF) students 2 boys and 4 girls, were selected for a 4-week Robotics Summer Camp held at COBOT Lab at Superior Grammar School in Multan along with other local school children. From **June 19th to July 19th**, these SKRSF students were given a total of 20 lectures and hands on training. Transport was provided to the students to attend the summer camp.

Syed Usama Aziz, CEO and Founder of COBOT who has designed a working robot himself was the instructor (<https://www.facebook.com/usama.aziz.311>). These children got to learn what is a robot, how it works and had hands on training on how to *design a line following robot and single lane control system* which can be used for city traffic control.

COBOT instructor Usama Aziz, delivered all the lectures and was full of praise for the SKRSF children's enthusiasm in learning. <https://www.facebook.com/reel/541471088062765>

AUGUST

During the summer vacation from **1st August to 8th August**, part II of “*Teachers Training Workshop*” was held online for the 3-teaching staff of SKRSF Learning Center, Multan. Teacher Coordinators: Ms. Tasneem Sarwar and Ms. Amber Khan from Islamabad, held 4 weekly online workshop sessions of 2-hour duration via Zoom / WhatsApp Video.

The workshop teaching materials was prepared by both Ms. Tasneem & Ms. Amber with emphasis on activity-oriented exercises on student behavior, classroom management, lesson planning, physical activities/games and activity-oriented teaching programs.

After the summer holidays on **August 16th** the SKRSF children returned to the Learning Center. Full of smiles and excitement, the children were ready to continue their educational journey with the help of SKRSF teaching staff.

For the 76th Pakistan Independence Day celebration, an event was held on **August 18th**. The center was decorated with white and green ballons, flags and the children came to the center wearing white and green clothes.

The children sang different national songs and learnt about the importance of the day. A cake prepared especially for the event was cut by one student which all the children enjoyed eating together and had an overall fun day.

From **August 28th** the second term exam week started at the Learning Center

SEPTEMBER

Four girl students' part of the "SKF's Rising Star Scholarship program" studying at a local private school in 2nd, 4th and 5th grades showed excellent result in their 2nd term school examination This reinforces the work SKF is doing to provide an opportunity for quality education with proper guidance to these under privileged girls, so they can do well, and dream for a future with endless opportunities ahead!!!

OCTOBER

As part of the educational and fun trip 5 Rising Star Scholarship students studying at a private local school went on field trip with their other classmates. Expense related with the trip was provided by SKRSF for these students.

NOVEMBER

Street Kids Funds USA board members participated at "OPEN SILICON VALLEY ANNUAL FORUM 2023" held on **November 4th** in Bay Area, California. Attendees at the conference visited the SKF booth and talked to the team members and inquired about SKF's programs and signed the SKF member list to receive regular updates and information about SKF activities.

DECEMBER

Since March SKRSF center was working without a full time Coordinator/ office manager, it was Ms. Alishba staff teacher who was handling all the office work. **On 1st December** Ms. Alishba was offered the full-time position of SKRSF Learning Center Coordinator/ Office manager.

Street Kids Funds Learning Center 2023 "*End of Year Result Day*" event held on **December 1st** 18 children enrolled at SKF's Educational Learning Center for 2023 received their end of year report cards. Children that secured 1st 2nd and 3rd position in their class were given trophies and gifts.

On **December 2nd** "*SKF Holiday Fundraising*" USA event was organized by Ms. Shahida, SKF supporter/donor at her residence to introduce SKF and to showcase the work of SKF to a network of females living in the Bay Area.

Ms. Farah, SKF board member highlighted SKF's projects and programs to the group of 35 ladies who attended this event.

Every year during the holiday season Street Kids Funds (SKF) gets involved locally in California, to make a difference in the lives of underprivileged children. On **December 16th** SKF Board member and volunteers joined in to participate at the “**Holiday Toy Drive**” organized by *Adopt A Family Program in San Joaquin County, California*.

SKF joined in the holiday toy distributing event by purchasing toys & gifts for 100+ children. At the event and SKF team members also helped in packing and distributing toys to children whose families are struggling financially in the community. SKF board members thanked the organizer @The Child Abuse Prevention Council www.nochildabuse.org Ms. Shauna Jacob, for giving SKF the opportunity to participate in the 2023 Holiday Toy Drive Event and making a child smile!!

SKF would like to also thank Mr. Azmi Gill from *Dunya News* for this news report <https://www.facebook.com/watch?v=1453898202006608>

For the new academic year at SKRSF Learning Center starting from January 2024, before the winter break SKRSF coordinator began interviewing new kids to join SKRSF Learning Center for academic year 2024. Selection was made of **8 new children**, 4 of the kids to join Prep class and 4 to join Class 1, a total of **16 children** at the Learning Center, Multan for the academic year 2024.

SKRSF completed a successful year 2023 benefiting a total of 32 students. Two students from the SKF Rising Star Scholarship program had to drop out from the SKRSF Scholarship program and SKRSF as they did not show any improvement during the school year and failed in the class.

For the academic year 2024, a total of **11 students** got selected to transition from SKRSF Learning Center to a private local school and to become part of **Cohort 5 of “SKF’s Rising Star Scholarship Program”**

Each of the student was given new uniform, shoes, school bag, books, copies, stationary. Excited and full of smiles the children began their schooling from **December 15th**

These 11 children joined the "**12 SKF's Rising Star Scholarship Students**" from cohorts 1, 2, 3 and 4, making the total of **21 students** who successfully are going to a regular school program.

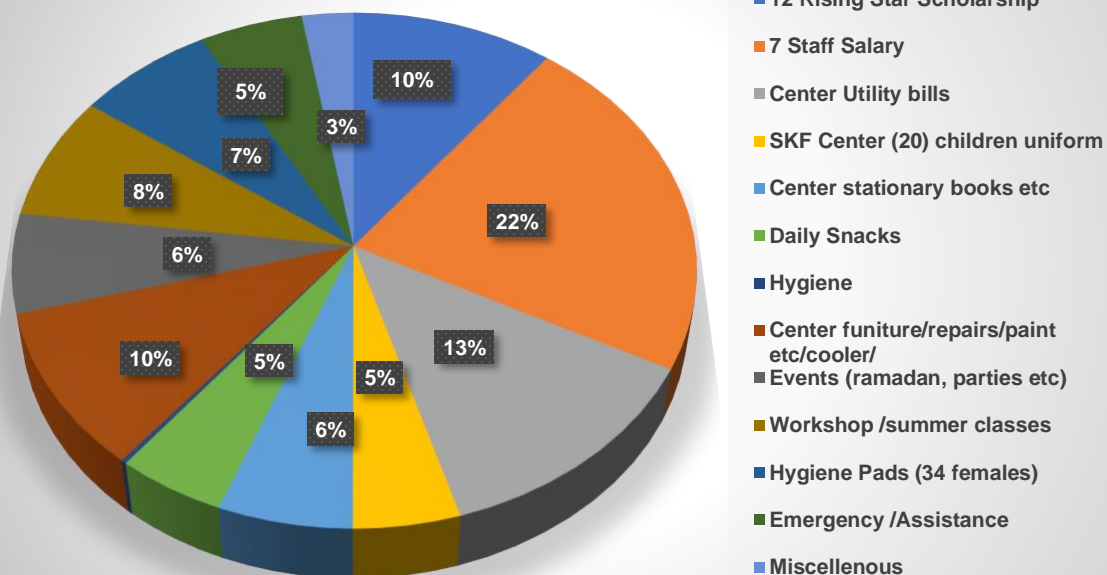

Please support Street Kids Funds (SKF) a nonprofit 501 (c) (3) startup organization. We are a California registered organization with EIN # 82-1891756. Donations that you will give to SKF is tax deductible and SKF will provide you with a receipt. Thank You from SKF USA Board Members!
